Shalom:

We are writing to you about a unique Holocaust remembrance program. FJMC 1,000,000 Candle Challenge to the World: We invite and challenge our members and the world, together, on Yom HaShoah: Light 1,000,000 candles!

Help remember the over 1,000,000 Jewish Children that perished during the Holocaust. Every candle we light is important - it symbolizes each child and says: "You were important. You made a difference in the brief time you were here."

Answer the challenge: *Light A Candle, Preserve A Memory!*TM

Register today: <http://fjmc.org/content/million-candles-registration>

Over 30 years ago, survivor groups conceived of a way to insure remembrance through a simple home ceremony. A special memorial Yahrzeit candle was developed and is now known as the Shoah Yellow CandleTM. Jews, Christians and members of other faiths now use these Candles.

It is our goal to place a Shoah Yellow CandleTM in every Jewish home, to reach out to others and expand this program until 6,000,000 candles are burning on the same night. Our theme is: *Light a Candle, Preserve a Memory*TM.

"Those who cannot remember the past are condemned to repeat it" George Santayana. Rabbi Abraham Joshua Heschel said, "Recollection is a holy act; we sanctify the present by remembering the past. The essence of faith is memory. To believe is to remember."

More information can be found at the www.yellowcandles.org website or at www.facebook.com/YellowCandles. If you have any questions, please feel free to send an email to info@yellowcandles.org.

We invite you to join with millions of other people, in remembering the victims of the Holocaust.

Zachor! Remember!
