

## WALKING CHALLENGE DETAILS!

- The challenge leaderboard will be determined by your Club team's total average. This is automatically calculated on the challenge dashboard by taking the total number of steps the team has walked and dividing it by the number of team members participating. Here is a summary of steps from city to city, but the main thing is to reach the end goal 327,000 steps over the 7-week period.

Haifa to Hadera – 57,400 steps

Hadera to Netanya – 22,600 steps

Netanya to Tel Aviv, Yafo – 45,000 steps

Tel Aviv, Yafo – Rehovot - 26,000 steps

Rehovot to Ashdod – 27,400 steps

Ashdod to Ashkelon – 26,400 steps

Ashkelon to Sderot – 24,400 steps

Sderot to Jerusalem – 97,800 steps

- Team lists will be sent each week. We recommend that clubs ask participants for a registration fee of \$18. Wellworks is charging only \$9 per man to assess the full features of the app or portal. Clubs may choose to use the surplus for a good cause in Israel or locally.
